Price: £72.00

Date: 2019-10-16 11:29:24

Expiration Date: 0000-00-00 00:00:00

Description

These resin art sculptures are a collision between fairytale and the natural world, making them a cruelty-free alternative to taxidermy and a colourful way to bring animal elements into interiors without harming them. These animals are dressed to impress in the style of Victorian and Elizabethan period portraits, adding a touch of the English eccentric to your space.
