Price: £0.00

Date: 2019-02-22 11:21:42

Expiration Date: 0000-00-00 00:00:00

Description

Cupping is an ancient technique of releasing tension and toxins from the muscles and skin. This technique uses vacuum created under a glass cup to draw out accumulated blood and "make space" for a healthy blood flow within skin and muscle tissues. 1 session takes approx. 30 minutes.
