Description

The Mitex Sport is designed specifically for the great outdoors; and an affordable step up from the license free PMR446 on the market. Designed to embrace the rigours of the Sport & Leisure industry, the Mitex Sport two way radio is ideal for those who prefer the great outdoors. Water, dust and vibration resistant, and 10 x more powerful than license free; these compact but robust units offer clear and reliable communication straight from the box! The Mitex Sport walkie talkie is the future for outdoor communications, whether your hiking, shooting, cycling, snowboarding, paint-balling, golfing or anything else, the Mitex Sport allows you to keep in touch with your friends or group, ensuring both safety and smooth co-ordination.
