**Price:** £0.00

**Date:** 2019-10-04 11:27:16

**Expiration Date:** 0000-00-00 00:00:00

## Description

Surreal and dreamlike, Stefano expresses his ideas of the uncertain modern world, and his vision of our time is poured out in to digital elaborations, exquisitely pictorial and softly hallucinogenic. His poetic assemblages are created by using a combination of photography and digital art. Faceless characters are trapped in dream-like settings, where fantasy meets reality  
Dimensions: 2000mm x 2500mm Material: Digitally printed tufted polyamide rug Type: cut pile - saxony Thickness: 8mm Lead time: We aim to ship within 3-5 working days
