Price: £0.00

Date: 2019-01-16 07:20:46

Expiration Date: 0000-00-00 00:00:00

Description

GripDeck® slip-resistant decking products transform slippery, dangerous decking into safe, presentable-looking walkways for various uses – including stairs, footbridges, access ramps, pontoons, boardwalks, vehicle steps and railway platforms. Choose from our comprehensive range of GripDeck® anti-slip decking available in SW (softwood), HW (hardwood) and TW (thermally modified timber) by Thermory. All our decking products are offered in a variety of lengths and sizes. You can select either smooth or grooved profiles, with our GripDeck® decking strips pre-bonded into the timber. No matter the size of your project, our decking products ensure your decking is kitted out with the safest, most effective anti-slip decking technology available.
