Description

Welcome to Unico Aesthetic in the Intu Centre Derby. Our expert team look after all your aesthetic needs from tidying up your body hair with laser treatments, to tightening and brightening with a range of exciting ultrasound and radiofrequency skin treatments, localised fat and cellulite removal, through to our range of medical, non-surgical treatments for wrinkle removal, dermal fillers, facial peels, thread-lifts and much more. All our treatments are supervised by our aesthetic-specialist doctors. To help you achieve the looks you want, we offer free consultations and we're open seven days a week in the lovely and convenient Intu Centre in Derby. Our team are all qualified, trained and experienced in everything we do. We aspire to provide you with the very best advice, treatment and care, and we're looking forward to discussing your individual needs with you. So why not book your free consultation here and now? You'll be pleasantly surprised at what we can achieve together.
