Aurea Medical is a premier aesthetic clinic and medical training academy located in Marylebone's Cavendish Square, London. Our CQC-registered facility combines clinical excellence with advanced technology to deliver exceptional aesthetic and surgical treatments.

Led by experienced medical professionals, we offer a comprehensive range of services including SculpSure non-invasive body contouring, CO2 laser skin resurfacing, hair transplantation procedures, and specialised carpal tunnel surgery. Each treatment is delivered with meticulous attention to detail in our state-of-the-art clinic.

As a respected training academy, Aurea Medical provides advanced injectable training for medical professionals, with courses up to Level 7 qualification. Our educational programmes are designed and delivered by practitioners with extensive

clinical experience, ensuring the highest standards of practice.
At Aurea Medical, we pride ourselves on our commitment to patient safety,
evidence-based treatments, and outstanding results. Our personalised approach
begins with thorough consultations to develop bespoke treatment plans tailored to
each client's unique needs and goals.
Conveniently situated in central London W1, our clinic welcomes clients from across
London and beyond, offering a discreet, professional environment where clinical
expertise meets exceptional care. Website:
